

Verification of Cisco Compatibility

The Cisco Technology Developer Program verifies that **ccDiscover v4.0**, a product offering from **CallCopy** has tested compatible with the Cisco Systems, Inc. products specified below on **July 2009**.

Product and Version

- ccDiscover v4.0

Cisco Systems, Inc. Product and Version

- Cisco Unified Communication Manager 7.0

ccDiscover v4.0 has tested compatible with Cisco Unified Communication Manager 7.0. The Cisco Compatible logo signifies that CallCopy product has undergone interoperability testing by CallCopy together with Cisco and a authorized IVT facility based on testing criteria set by Cisco. CallCopy is solely responsible for the support and warranty of its product. Cisco makes no warranties, express or implied, with respect to CallCopy product or its interoperation with the listed Cisco product(s) and disclaims any implied warranties of merchantability, fitness for a particular use, or against infringement. This Verification of Cisco Compatibility expires 12 months from the above date. Cisco has the right to revoke this verification of compatibility at any time.
